Friendsgiving hits different at **Howling Wolf Taqueria**. On **November 26**, the favorite neighborhood spot will reprise its **"Pack Night"** series by hosting a specialty Thanksgiving pregame with its signature Mexican twist. Arguably the biggest drinking night of the year, marked by reuniting with members of your pack past-and-present, Howling Wolf Taqueria reminds you to "feed the good wolf" during all that imbibing by popping up with a free taco bar beginning at 9pm. In between double-fisting tasty tacos, channel your inner-wolf with **Gran Centenario** tequila specials. In the spirit of living for the nights you can't remember with the people that you won't forget, remember to stash your Gran Centenario swag early as a memento of that one Friendsgiving at The Wolf.

Complimentary Gran Centenario swag available while supplies last. Access to complimentary taco bar available at 9pm with any food or beverage purchase.
